

Dance Troupe Travel

Maverick Travel offers world class, life-changing, eye-opening dance tours and full service travel. If you are excited to travel to a new country, train at some of the top studios, perform at Disneyland and Madame Tussauds, learn about the dance industry from professional dancers, attending workshops at world renowned studios including Broadway Dance Centre in NY, see fabulous shows and famous sites. From our initial consultation meeting with the Studio Principal to designing the groups itinerary, an Information evening for the families, regular meetings with the group participants to organize any additional travel arrangements after the Dance Tour to your Pre-departure meeting held at the Studio. We take care of any auditions required for performances and registration for workshops. A Maverick Travel Representative will travel with your group and be on hand each day to answer any questions you may have whilst on tour.
